

Box series of outdoor spotlights consists of a complete series of 5 different models in terms of consumption, available with accessories for different installations (plastic spike, concrete base, tree belt or pole base). Ideal for minimal architectural applications with low glare level due to the design of the luminaire and the extra snoot accessory. It is available in black or white colour as standard but custom RAL colours are also available upon request. Marine treatment is also offered upon request ensuring higher resistance to weather, UV, water and mould growth.
