

ACTOR 616

B Y P A S S

ACTOR 616 is now available with by-pass switches!

ACTOR 616 is now available with by-pass switches

- It has six 3-position switch over (Dimmer- Off- By-pass), one per channel
- Ideal for installations that require change over dimmable and non-dimmable loads
- There is no need for double cabling installation
- All outputs are protected with MCBs even if the switch over is in the position By-pass
